Clinical Focus:

Special interest in viral infections, viral immunology and pathogenesis of infectious diseases.

Academic Appointments:

Hacettepe University Department of Infectious Diseases and Clinical Microbiology

Honors & Awards:

1990 Champion, Turkish High Schools Handball Championship

1990 3rd place, International School Sports Federation Handball Championship, Rishon Le Zion, Israel

Professional Education:

- Clinical Fellowship: Section of Infectious Diseases, Department of Medicine, Hacettepe University Faculty of Medicine, Ankara, Turkey (2011-2017).
- Specialty: Department of Infectious Diseases and Clinical Bacteriology, Selçuk University Meram Faculty of Medicine, Konya, Turkey (2002-2008).
- Medical Education: Ege University Faculty of Medicine, İzmir, Turkey (1991-1997).

TEACHING:

Undergraduate:

- Hacettepe University Faculty of Medicine, 3rd year (Turkish & English):
 - Upper respiratory tract infections in the adult
 - Acute viral hepatitis
- Hacettepe University Faculty of Medicine, 4th year (Turkish & English):
 - Lower respiratory tract infections
 - Multidisciplinary approach to fever, panelist
 - Respiratory tract infections,
 - Acute gastroenteritis and urinary tract infections (elective rotation)
- Hacettepe University Faculty of Medicine 6th year interns in the Department of Medicine (every 2 months)
 - Approach to a person living with HIV
 - CMV & other herpesviridae infections
- Hacettepe University Faculty of Dentistry 5th year
 - Approach to a person living with HIV
- Hacettepe University Faculty of Pharmacy 2nd year
 - Upper respiratory tract infections in the adult
 - Lower respiratory tract infections in the adult
 - HIV/AIDS
 - Parasitic infections
 - Viral infections

Postgraduate:

- Residents in the Department of Infectious Diseases and Clinical Microbiology (every 3 months):
 - Antiviral drugs
 - HIV
 - Antiretrovirals
 - Anti-parasitic drugs
